In 2019, we will close the Wii Shop Channel used on Wii and Wii U (the Wii Shop Channel is accessible on the Wii U via the Wii backwards compatibility feature), which has been available since December 2006. We would like to thank our loyal customers for supporting the Wii Shop Channel, and would like them to continue to enjoy software downloaded from the shop.We plan to end all services related to Wii Shop Channel, including the purchase of WiiWare and Virtual Console software, downloads of Wii Channels, and use of the Wii U Transfer Tool, which transfers data from Wii to Wii U.Please see below for the related end dates:End date of each serviceAdding points to the Wii Shop Channel:Tuesday 27th March 2018 at 7:00 AEDTPurchase of WiiWare, Virtual Console software, Wii Channels (including free software)*:Thursday, 31st January 2019 at 17:00 AEDTFull closure of the Wii Shop Channel and disabling of redownload functions in 2019 (More details to be announced at a later date)*With some exceptions, it is possible to re-download previously downloaded WiiWare, Virtual Console and Wii Channel software until the full closure of the Wii Shop Channel in 2019.Chat to our Customer Service Team The logo for the Wii Shop Channel Available from start; services discontinued January 31, 2019. Main menu interface. The Wii Shop Channel() was a channel where the user can buy games or software for the Wii. Products were bought using Wii Points (WP), which could be bought on the Wii Shop Channel with a credit card, or through a Wii Points card purchased at retail stores. The service was officially discontinued on January 31, 2019 after 12 years of service. Any unspent Wii Points are unusable. The ability to purchase and add Wii Points with a credit card or Wii Points card was discontinued on March 27, 2018, and the feature disabled. The only feature intact is downloaded software on the Wii Shop Channel, and the only software titles still available to download from the Wii Shop are two Wii channels: the save data update channel for The Legend of Zelda: Skyward Sword and the Wii U Transfer Tool/Wii System Transfer channel, both of which are free. Wii players who wish to download digital Wii games and software after the discontinuation of this service must use a program called a wad manager (accessed from the Homebrew Channel) for the installation of the desired software. On March 20, 2022, Nintendo closed the Wii Shop Channel for maintenance. It would go to a blank screen when launched. As of August 2024, the channel is back up and running. Prices[] Virtual Console[] The prices for virtual console games are listed below with import games being 100 WP extra. NES: 500 WP SNES: 800 WP N64: 1,000 WP GEN: 800 WP TG-16: 600 WP NEO GEO: 500 - 900 WP C64: 500 WP Arcade: 500 - 1000 WP WiiWare[] WiiWare was an original game service with the price per game varying between 500 and 1500 WP. Wii Channels[] Most Wii Channels were free, but many of them required the user to pay for their service once inside. Settings[] [] The user can clear information from the Wii Shop Channel account by selecting this option. This erases the entire record of the user's Wii Shop Channel account, such as registered Wii Points and downloaded software. After this process, the account cannot be recovered. Software stored to an SD card after removing the account will be invalidated. This action is usually done so before transferring the ownership of the console. Before removing their Wii Shop Channel Account, the user enters the serial number of their Wii console. If Parental Controls were being used, the PIN will also need to be entered. Wii Download Ticket[] Main article: Wii Download Ticket Players could use Wii Download Tickets to download additional games and channels to their Wii for free. Gift Settings[] Players could send WiiWare and Virtual Console games to their Wii Friends using this feature. It could be toggled on and off. Music[] Main article: Wii Channels/soundtrack The main title (composed by Kazumi Totaka) is available with the CD Touch! Generations Soundtrack The Wii Shop Channel, which has been available on Wii systems since December 2006, closed on January 30, 2019. We sincerely thank our loyal customers for their support. It is no longer possible to purchase new content from the Wii Shop. However, for the time being you may continue to re-download content you have purchased or transfer that content from a Wii system to a Wii U system. Be aware that these features will eventually end at a future date. Thank you for supporting the Wii Shop Channel and for being such great fans of Nintendo. September 29, 2017: The day it was announced that the Wii Shop will close in 2019. March 26, 2018: The last day to have purchased points in the Wii Shop or redeem Points Cards in the Wii Shop. January 30, 2019: The last day to have purchased software in the Wii Shop. In the future, we will be closing all services related to the Wii Shop Channel, including redownloading purchased WiiWare, Virtual Console titles, and Wii Channels, as well as Wii System Transfer Tool, which transfers data from the Wii console to the Wii U console. Why is Nintendo no longer supporting the Wii Shop Channel? Now that customers have shifted to Nintendo eShop on Nintendo Switch and Nintendo 3DS family systems, we plan to focus our efforts in those areas. As such, the Wii Shop Channel closed in early 2019 after over twelve years of operation. We sincerely thank our loyal customers for supporting the Wii Shop Channel on their Wii systems. Please note that content downloaded on the Wii Shop Channel can be transferred to a Wii U system using the Wii System Transfer Tool. Can users still play WiiWare games that they already purchased? Yes. The ability to re-download WiiWare and Virtual Console games will also stop at some point. We will announce specific details as that time approaches. When will all Wii Shop Channel services (including the ability to re-download) be terminated? Users were able to add Wii Points until March 26, 2018, and were able to purchase content on the Wii Shop Channel until January 30, 2019. In the future we will close all services related to the Wii Shop Channel, including the ability to redownload WiiWare and Virtual Console games, as well as the Wii System Transfer Tool, which transfers data from Wii to the Wii U system. We will announce specific details as that time approaches. What happens to Wii Points that haven't been used? Since the original announcement in September 2017, we encouraged people to spend any unused Wii Points before the Wii Shop Channel closed on January 30, 2019. Refunds of Wii Points are not possible. Wii Points cannot be used to fund a Nintendo eShop account or Nintendo Account. How can users transfer WiiWare and Virtual Console content to a newer system? For details on how to transfer Wii Shop Channel content to a Wii U system, please visit our support page. Please be aware that the ability to transfer will be removed at some point in the future. We will make an announcement with specific details as that time approaches. Will users still be able to purchase WiiWare games after the Wii Shop closes? Some WiiWare games are available via Nintendo eShop on Wii U systems. Be sure to check out the Virtual Console offerings on Nintendo eShop for your favorite classic games. What impact will the Wii Shop closure have on my VOD (Netflix, Hulu, etc.) service? The various video-on-demand services on Wii ended at roughly the same time as the closure of the Wii Shop Channel. Wii Menu Banner Downloading channels and games WW: HABA HABK The Wii Shop Channel was a channel that was used to purchase new games and channels (as well as updating existing channels) for the Wii. When purchasing Wii Points on the Wii Shop Channel, either a credit card or a Wii Points Card could be used to do so. It was closed in January 30, 2019. Software[] Channels[] Channels (released in November 2006) contained channels that could be downloaded and place on your Wii Menu. Most of them were free, however, the Internet Channel costed 500 Wii Points until October 2009 when the Internet Channel was now a free download. Anyone who had paid 500 points for it would be reimbursed for it by downloading a free non-imported NES game of their choice from the Wii Shop Channel. Virtual Console[] Main article: Virtual Console Virtual Console (released in November 2006): Contained games from past systems, including the NES, SNES, Nintendo 64, Sega Genesis, Sega Master System, SNK Neo Geo, TurboGrafx-16, MSX, Commodore 64, and Virtual Console Arcade. Here is a table showing the consoles that games could be got for and the prices: System Starting Cost in Wii Points Nintendo Entertainment System(Famicom) 500 Super Nintendo Entertainment System(Super Famicom) 800 Nintendo 64 1,000 TurboGrafx-16(PC Engine) 600 Sega Genesis(Sega Mega Drive) 800 NEOGEO 900 MASTER SYSTEM 500 Virtual Console Arcade 800 Commodore 64 [N/A] WiiWare[] WiiWare are digital games for the Wii, first releasing in March 2008. WiiWares are new games built ground-up from the Wii, the service was designed to allow small developers to put out games with low costs. WiiWares could be stored on the Wii Menu or directly installed to the SD Card Menu if the user picks it. Connection Ambassador Program[] In 2009, Nintendo of Europe announced the Wii Connection Ambassador program, a scheme designed to reward users for helping other new users get connected online and to the Wii Shop Channel. It was later on launched in New Zealand and Australia. Closure[] On September 29, 2017, Nintendo announced that the Wii Shop Channel would be discontinued on January 30, 2019 (limiting usage of the service to redownload previously purchased content only and that the service would become entirely inaccessible at an unspecified date that year). To prepare for the closure, it was announced that the ability to add Wii Points with a credit card or a Wii Points card (to purchase and play VC games and/or WiiWare) on Wii Shop Channel would be removed on March 26, 2018. Then from that date, the ability to add Wii Points --to purchase and play Virtual Console and WiiWare games-- remained functional and Wii Shop Channel users could still continue adding Wii Points until March 26, 2018 (until 1 P.M PST on March 26, 2018). On March 26, 2018, the option to add Wii Points had been removed. On January 31, 2019, the Wii Shop Channel was closed down and reverted back to its original layout, the day the Wii Shop Channel was launched. All Virtual Console, WiiWare, and Wii Channels were removed, except for the ability to download content if it was previously bought before, and 2 remaining Wii Channels such as The Legend of Zelda: Skyward Sword Save Data Update Channel, and the Wii System Transfer, and Wii U Transfer Tool. So, you've got your trusty Nintendo Wii ready to roll, but you're wondering how to connect it to the internet? Fret not! In this comprehensive guide, we'll walk you through every step to get your Wii online and unlock a world of gaming, streaming, and interactive fun. From the initial setup to some handy tips, we've got you covered. Getting Started Before we dive into the detailed steps, let's make sure you have everything you need: A Nintendo Wii console A TV or monitor A wireless router or LAN adapter High-speed internet connection An AC power adapter for the Wii Your enthusiasm for gaming! Step-by-Step Guide: Connecting Your Wii to the Internet Setting Up Your Wii To start, make sure your Wii is properly set up: Connect the Wii to Your TV: Plug the AV cables into your TV or monitor. If you have a newer TV, consider using the Wii's HDMI adapter for better quality. Plug in the Wii: Connect the AC power adapter to the Wii and an electrical outlet. Power On: Turn on your TV and the Wii console. Navigating the Wii Menu Once your Wii is on, you'll see the Wii Menu on your screen. Navigate through the menu using your Wii Remote, and click on "Wii Options" located at the bottom left. Then, select "Wii Settings." Connecting to the Internet Now, let's get you connected: Internet Connection: Choose "Internet" and then "Connection Settings." Select an available connection and click on "Wireless Connection" if you're using Wi-Fi. Search for Access Points: Your Wii will search for available access points. Once the search is complete, choose your Wi-Fi network from the list. Enter the Password: If your network is secured, enter the password using the on-screen keyboard. Test Connection: After you've successfully entered the password, test your connection to ensure everything is working correctly. Nintendo eShop and Online Play You're almost there! Now that your Wii is connected, you can enjoy these exciting features: Nintendo eShop: Access the eShop to purchase games, demos, and more. Explore the vast library of classics and new titles. Online Multiplayer: Play games online with friends and players worldwide. Compete, cooperate, and have a blast! Wii Channels: Download various channels like Netflix, Hulu, and YouTube to transform your Wii into a multimedia entertainment hub. Frequently Asked Questions Q: Can I use a wired connection instead of Wi-Fi? A: Yes, if you have a wired LAN adapter for the Wii, you can use an Ethernet cable for a wired connection. Q: How do I update my Wii's software? A: From the Wii Menu, go to "Wii Settings," select "Wii System Update," and follow the on-screen instructions. Q: Are there any free online multiplayer games for the Wii? A: Yes, some games offer free online multiplayer options, but many require a Nintendo Switch Online subscription. Q: Can I use any Wi-Fi network for my Wii? A: Yes, as long as you have the network password (if it's secured) and permission to use it. Q: What should I do if my connection is slow or laggy? A: Try moving your router closer to the Wii, ensuring there are no obstructions. You can also consider upgrading your internet plan for faster speeds. Q: Can I still access the Wii Shop Channel? A: Unfortunately, the Wii Shop Channel was discontinued in 2019, so it's no longer available. Conclusion Congratulations, you've successfully connected your Wii to the internet! Now, you can enjoy gaming, streaming, and online fun to the fullest. Whether you're revisiting classic titles or exploring new releases, the world of Nintendo awaits. Happy gaming!
